CVSS Vektor (v4.0) Calculation, e.g. using the FIRST CVSS calculator	
Possible countermeasures (If known)	
Impact (If known)	

Declaration of consent to data collection:

For the purposes of internal organisation, contacting you in the event of any uncertainties, and resolving reported security issues, HELLER processes your name, your email address and the name of your organisation. We therefore ask for your consent to the processing of this data, which you have provided voluntarily. Your personal data will not be passed on to third parties.

Giving your consent is voluntary. If you do not give your consent, you will not suffer any disadvantages; however, in this case, we will not be able to contact you.

You may also submit your report anonymously. Please note that we are unable to follow up on anonymous reports and therefore require information that is as complete and precise as possible in order to be able to review and assess your report.

You may withdraw your consent at any time with effect for the future by sending an email to psirt@heller.biz. In this case, your personal data will be deleted. For further information, please refer to our Data Protection.
