SIEMENS Solutionline

Replacement of the decentral I/O module ET 200X DESINA by I/O module CUBE 67 as announced by the manufacturer. Simple changeover to the new technology by replacing entire I/O islands.

Characteristics

- _ Modular decentral I/O islands
- _ Robust construction
- _ Protection rating IP65, IP66 or IP67 (protection against ingress of foreign bodies and water)

Benefits

- _ Guarantees machine availability
- _ Changeover to current I/O module CUBE 67
- _ Simple commissioning
- _ After the changeover to CUBE 67: Simple 1:1 replacement of individual components if spare parts are required
